

### ***Music Video Show***

Calling all music videos! Have you had a music video produced for your band? Or are you a filmmaker who has produced a video for a local band or musician? Have you wondered what happens to that music video now...is it dying to see the light of day and get some airplay? MetroEast and KZME are accepting submissions for our new monthly show, a compilation of selected crazy, zany quality music videos that will showcase local artists and musicians. Contact Emily Vidal at MetroEast Community Media to find out how you can submit your work to: [emily@metroeast.org](mailto:emily@metroeast.org). Mini-dv tapes, DVDs, or full-quality-full-size quicktime video files accepted.

### ***KZME Benefit Shows***

The **Kate Mann** house concert was wonderful! Thanks to Kate and everyone who came out to check out some great, local music. Stay tuned for show times as Mike Canty is putting together a cable program to showcase the wonderful event.

On May 31st, the Skyway Bar & Grill hosted an amazing benefit concert for KZME! The event featured Keegan Smith (winner of Portland Music Award's 2009 Best Male Artist and PMA's 2009 Best Live Performance Award), Acoustic Minds (winner of PMA's 2009 Band of the Year Award), Viasol, Rebel String and Eddy and the Haskells. Over 200 people came to the event. We thank everyone for a fine time....rumor has it, it may even become an annual event. Check out photos on our Facebook page.
